CEILING BOARD

Ceiling Board

Ceiling V-Board installation provides a smooth, clean finish that enhances the overall look of any room.

These boards are lightweight, durable, and easy to install, making them a great option for residential, industrial, and commercial spaces.

In addition to their sleek appearance, V-Boards are acoustic and fire-rated.

They can be painted or left with a natural finish to suit any style, making them ideal for ceilings.

Dry Wall Partitioning

Drywall partitioning offers a versatile and cost-effective solution for creating new spaces within your home or office.

These lightweight panels are easy to install, making them ideal for quick transformations or adjustments.

Whether you need to divide a large room, create private spaces, or add extra walls, drywall partitions provide a smooth finish ready for painting or decorating.
